Acquire the Fire Volunteer Outline

Our volunteer team is made up of adults who are assigned a job in one of three areas:

Merchandise: These people work behind our tables, selling our shirts, books, cd's and novelties. The tables are only open during our breaks, these volunteers are able to sit in on our sessions. We do have at least one person remain at each table during the sessions to send wandering attendees back to their seats and to watch over the table.

Door Team: These people help us as at the doors as greeters, wristband checkers, manual passers, and general human speed bumps to keep the kids from running as they come in. They also help throughout the weekend with the people flow in the concourse of each of our 3 breakouts, mainly directing attendees where to go during the movement times.

Ushers: These hard workers are assigned to the inside of the arena. They are placed at an average of 1 per 10 rows of seats in each aisle. Their main goal is to: stop any running in the aisles, pass out materials to all attendees at 3 times during the weekend, and receive our two offerings.

All of our volunteers are given a bright red t-shirt that has our logo and 'event staff' written on the front. Also, they are all trained Friday afternoon for the jobs they will help us with for the duration of the event. For an average event, we recruit 70-80 ushers, and 70-80 convention services volunteers that are split into 60 merch, and 15-20 door team.

Addendum "D"

From: Matthew Bell
To: Briggs, Stephen; Hasz, Sam; Underwood, Russ
Date: 11/3/2008 2:37 PM
Subject: "Addendum D" to the Venue Licensing Agreement

All---

As we did last year, I noted our points of concern for your Addendum A & B that you have attached to the venue agreement. I will attach this sheet and make it Addendum D like we did for the 2008 event.

As I recall, I believe all points were satisfactory to both parties. If there is something we need to discuss, please let me know.

Sincerely,

Matt

POINT 5 - Aramark's workers are also union. They will stay open during all event times and will cooperate with your alter calls. This is what we did for the 2008 event.

POINT 8 - Our suites are sold on an annual basis and their tickets to all events are complimentary.

POINT 9 - Any additional items that we can't provide will need to be rented by ATF.

POINT 15 - There may be additional stagehand labor charges for recording/televising the event. There is no longer a stagehand bonus, however there may be applicable labor charges for such recordings.

POINT 16 - The breakout rooms will be in mutually agreeable locations.

POINT 17 - I put 8:00 AM in the contract for occupancy time on the load in date, which is April 16, 2009. In the addendum you ask for 7:00 AM. I would rather wait and see what the event is prior to yours before committing the building to you earlier. I have no problem letting you in earlier, but I don't want to put our operations staff in a bad place by giving you the building before it is actually "ready".

Addendum B - We have no problem with you using volunteers, but we ask that they stay as "volunteers".

We ask that their shirts not say "event staff", but remain as "volunteer". This will assist us with letting our admissions and security unions know that they are all "volunteers".

Again if you have any questions, please let me know.

Sincerely,

Matt

41. **SEVERABLE AGREEMENT**

This is a Severable Agreement and, in the event that any part or parts hereof shall be held to be unenforceable, then it is the intention of the parties hereto that such part or parts shall be enforceable to the full extent permitted by law and, in any event, that all other parts of this Agreement shall remain valid and fully enforceable as if the unenforceable part has never been a part thereof.

This RIDER to be attached and made part of the CONTRACT dated _____
between Thrill Hill Productions, Inc. (hereinafter called "ARTIST") and
_____ (hereinafter called "PURCHASER").

The following provisions shall be deemed incorporated in and as part of the attached Contract.
Furthermore, no changes shall be allowed without the prior written consent of the ARTIST.

A. TICKET SALES: All tickets must be printed BRUCE SPRINGSTEEN and the E STREET BAND. The PURCHASER shall provide a ticket manifest upon the signing of this Contract. The manifest must be produced by a bonded printer and must be confirmed as being correct by a notary public. This manifest should show the number, price and color of all tickets that will be produced for the performance(s). All tickets must be consecutively numbered and in the event of more than one performance in one venue be printed in a different range of color for each performance. If a different price scale is to be used for advance and day of performance sales, then two types of tickets must be used. Each should clearly show the relevant price and furthermore the two types of tickets to be used must be easily distinguishable by use of different colored stock. Each ticket must have the following wording clearly displayed on its face: "No cameras, tape/video recorders/laser pointers are allowed." "Bruce Springsteen and the E-Street Band" should be same font size.

On the date of the performance the PURCHASER must furnish the ARTIST'S Production or Tour Manager with a seating chart of the venue. This chart must show all the positions of unsellable/obstructed vision tickets that have been withdrawn from sale and the positions of any complimentary tickets held.

PURCHASER will present to the ARTIST'S Tour Manager/Accountant at the time of the performance financial settlement(s), all unsold tickets for counting and verification against the venue box office report(s). Gross ticket sales shall be determined by the difference between the numbers of the tickets printed, less any tickets not sold. This is a "no comp" tour except for zero dollar tickets designated otherwise at artist discretion (charitable organizations, etc).

In the event of tickets being sold at a discount for any reason whatsoever, the gross ticket sales will be based on the full face value of the tickets and not the reduced price unless prior written agreement of the ARTIST has been obtained.

A venue box office statement shall be furnished to the ARTIST'S Tour Manager/Accountant not later than two (2) hours after the commencement of the performance(s). The ARTIST'S Tour Manager/Accountant shall have the right to enter the venue box office at any time on the date of the performances(s) to inspect the records that relate to the gross receipts of each performance. Where the gross ticket sales exceed the gross potential ticket sales as stated in the attached contract, the ARTIST shall be entitled to, AT A MINIMUM, COLLECT THE EXCESS GROSS MULTIPLIED BY THE DESIGNATED PERCENTAGE SPLIT PER THIS AGREEMENT. IF NO PERCENTAGE SPLIT HAS BEEN DESIGNATED IN THE DEAL TERMS, ARTIST SHALL COLLECT 100% OF ANY EXCESS.

B. TICKET HOLDS: Ticket holds will be discussed before going on sale. There are no comp tickets held for this show. If there are contract agreements with facility or facility sponsor or others, please have a copy of that agreement for tour accountant. Any seating existing but not part of manifest or gross for purchaser contract (i.e.: sky boxes, etc.) should still be in master manifest for tour accountant.

C. TAXATION:**1. General**

Subject to the following provisions of this clause, PURCHASER shall pay, at its sole costs, all taxes, fees, dues, levies, and the like relating to the performance.

2. Withholding Taxes:

PURCHASER agrees to co-operate with ARTIST in the reduction to the extent possible of any so-called withholding tax assessable against artist.

PURCHASER shall also inform ARTIST of the name and address of the relevant authority for the purpose of enabling the ARTIST, if it so wishes, to make an application to reduce any such liability or otherwise to challenge the liability with the relevant authority.

PURCHASER shall be entitled to deduct from the sums payable hereunder any sums required to be deducted by PURCHASER on account of withholding tax. Any sums so deducted shall be remitted immediately to the relevant authority or held in an earmarked client trust account until such time as PURCHASER is required to pay such sums to the relevant authority.

Such certificate or receipt shall be in the form provided for under local law and, where permitted by local law, PURCHASER shall ensure that such certificate or receipt shall be made out in a name nominated by ARTIST or its advisors. An English translation of such certificate or receipt shall be provided by PURCHASER to ARTIST.

3. VAT:

All sums payable to the ARTIST under the Contract are expressed to be exclusive of value added tax or equivalent (if any). In the event that value added tax or equivalent is payable, PURCHASER shall advise ARTIST in advance of the performance in the event that PURCHASER is not entitled, under the legislation and /or regulations governing value added tax or equivalent in the country in which the performance takes place, to account for such tax on behalf of ARTIST. Unless the PURCHASER is not so entitled, PURCHASER shall notify ARTIST of its value added tax registration number (or equivalent). Notwithstanding the foregoing ARTIST shall have the right to charge value added tax (or the equivalent tax), if applicable, in respect of sums payable under this contract.

Any increase between the estimated and actual figures must be justified to the satisfaction of the ARTIST'S Tour Manager/Accountant at this time.

Any expense item submitted should be net of any commissions, refunds, tax rebates (VAT or equivalent) due to the PURCHASER. The PURCHASER and the ARTIST'S Tour Manager/Accountant have the right to call upon their own representatives in specialized fields such as production, advertising and catering should further justification or explanation be required. All expenses should be costed and itemized in as much detail as possible. Any long-term venue rental agreement, related rates and cut-off conditions must be revealed at this time.

INTER-OFFICE MEMORANDUM

NJSEA BOOTLEG VENDING POLICY/PROCEDURESUNAUTHORIZED VENDING AND DISTRIBUTING PROHIBITED

Except as authorized by the Sports Authority, no person shall enter or remain on the premises of the Meadowlands Complex for the purpose of selling, offering to sell, leasing or distributing any goods, merchandise, literature or services.

ILLEGAL VENDING - Often the sale of souvenir T-Shirts and caps, etc. is an important source of income to our promoters and the acts they represent. Ultimately, of course, the Sports Authority benefits from this business as well. At times, particularly for rock concerts, vendors will "pirate" the name and trademarks of acts and produce shirts and caps which they sell in our parking lots before and after concerts. When the act in question obtains a court issued injunction against this, we will assist in carrying out the court order. We do this by trying to curtail the activities of these unauthorized vendors.

The vendors work the parking lots and only carry 3-5 shirts at a time to minimize their losses if caught. They maintain their main supply of merchandise in a centrally located vehicle trunk or van and may keep a bag of inventory under a parked car.

ENFORCEMENT -THE EVENT STAFF MEMBER

AUG.28.2009 15:32

#1782 P.015 /016

-2-

The vending detail will patrol the lots in squads of three (3) or four (4) men. Anyone observed vending bootleg tee shirts or any other bootleg merchandises will be apprehended and taken to either the Stadium or Arena Processing Area. All bootleg merchandise will be confiscated and inventoried. The illegal vendor will be processed, photographed and officially ejected from the premise. If the vendor has been previously ejected he will be turned over to the State Police and he will be charged with trespassing. A file of all known and previously apprehended vendors is maintained in both the Stadium and Arena Security Offices.

In the event the show merchandiser requests plainclothes personnel for this detail, I recommend the hiring of Corporate Loss Prevention Associates. This will greatly assist the N.J.S.E.A. personnel in enforcing the vending policy. In the event the promoter has a Federal Court Injunction banning the sale of merchandise in a two to three mile radius of the venue, these personnel may leave the NJSEA property to pursue the illegal vendors. Telephone numbers for the Corporate Loss personnel may be obtained from either the Arena or Stadium Security Management.

If the merchandiser assigned to the show requests to work with the Event Staff members, he may be issued one of our security radios for communication and if he requests, he may be allowed to ride in one of the security vans.

In addition to the six (6) personnel assigned to the Vending squad, there will be an additional squad of fifteen (15) personnel assigned to the lots as a Lot Patrol or depending on the event as a No Alcohol Squad. Although apprehending bootleg shirt vendors is not their primary responsibility these employees will also assist in enforcing the vending policy.

We also utilize members of our Traffic and Parking Departments to either assist in "spotting" illegal vendors or apprehending them.

The VENDING SQUAD is usually assigned to patrol the lots four (4) hours prior to the event. Usually the squad is reassigned inside the venue around the time the show begins. The Supervisor and Assistant Supervisor and at least one Event Staff member remain outside all evening patrolling the lots. Just prior to "blowoff" the Vending Squad is reassigned to the lots to enforce the vending policies. Additional members of the original Lot Patrol are also reassigned outside at "blowoff" to assist in the enforcement of bootleg vending and other policy violations.

At the end of the night, if the show merchandiser wants to inventory the confiscated contraband, he may come to the Security Office. If he wants to take possession of the confiscated items, they will be turned over to him at the completion of the detail by either a Stadium or Arena Security management person.

This RIDER to be attached and made part of the CONTRACT dated June 2, 2009 between Thrill Hill Productions, Inc. (hereinafter called "ARTIST") and New Jersey Sports & Exposition Authority (hereinafter called "PURCHASER").

The following provisions shall be deemed incorporated in and as part of the attached Contract. Furthermore, no changes shall be allowed without the prior written consent of the ARTIST.

A. **TICKET SALES:** All tickets must be printed **BRUCE SPRINGSTEEN and the E STREET BAND**. The PURCHASER shall provide a ticket manifest upon the signing of this Contract. The manifest must be produced by a bonded printer and must be confirmed as being correct by a notary public. This manifest should show the number, price and color of all tickets that will be produced for the performance(s). All tickets must be consecutively numbered and in the event of more than one performance in one venue be printed in a different range of color for each performance. If a different price scale is to be used for advance and day of performance sales, then two types of tickets must be used. Each should clearly show the relevant price and furthermore the two types of tickets to be used must be easily distinguishable by use of different colored stock. Each ticket must have the following wording clearly displayed on its face: "No cameras, tape/video recorders/laser pointers are allowed." "Bruce Springsteen and the E-Street Band" should be same font size.

On the date of the performance the PURCHASER must furnish the ARTIST'S Production or Tour Manager with a seating chart of the venue. This chart must show all the positions of unsellable/obstructed vision tickets that have been withdrawn from sale and the positions of any complimentary tickets held.

PURCHASER will present to the ARTIST'S Tour Manager/Accountant at the time of the performance financial settlement(s), all unsold tickets for counting and verification against the venue box office report(s). Gross ticket sales shall be determined by the difference between the numbers of the tickets printed, less any tickets not sold. This is a "no comp" tour except for zero dollar tickets designated otherwise at artist discretion (charitable organizations, etc).

In the event of tickets being sold at a discount for any reason whatsoever, the gross ticket sales will be based on the full face value of the tickets and not the reduced price unless prior written agreement of the ARTIST has been obtained.

A venue box office statement shall be furnished to the ARTIST'S Tour Manager/Accountant not later than two (2) hours after the commencement of the performance(s). The ARTIST'S Tour Manager/Accountant shall have the right to enter the venue box office at any time on the date of the performances(s) to inspect the records that relate to the gross receipts of each performance. Where the gross ticket sales exceed the gross potential ticket sales as stated in the attached contract, the ARTIST shall be entitled to, AT A MINIMUM, COLLECT THE EXCESS GROSS MULTIPLIED BY THE DESIGNATED PERCENTAGE SPLIT PER THIS AGREEMENT. IF NO PERCENTAGE SPLIT HAS BEEN DESIGNATED IN THE DEAL TERMS, ARTIST SHALL COLLECT 100% OF ANY EXCESS.

B. **TICKET HOLDS:** Ticket holds will be discussed before going on sale. There are no comp tickets held for this show. If there are contract agreements with facility or facility sponsor or others, please have a copy of that agreement for tour accountant. Any seating existing but not part of manifest or gross for purchaser contract (i.e.: sky boxes, etc.) should still be in master manifest for tour accountant.

C. TAXATION:**1. General**

Subject to the following provisions of this clause, PURCHASER shall pay, at its sole costs, all taxes, fees, dues, levies, and the like relating to the performance.

2. Withholding Taxes:

PURCHASER agrees to co-operate with ARTIST in the reduction to the extent possible of any so-called withholding tax assessable against artist.

In the event that any withholding is required by local laws to be deducted in respect of sums payable to ARTIST, PURCHASER shall promptly inform ARTIST of the percentage or amount which PURCHASER is required to deduct and the basis for the deduction. PURCHASER shall also inform ARTIST of the name and address of the relevant authority for the purpose of enabling the ARTIST, if it so wishes, to make an application to reduce any such liability or otherwise to challenge the liability with the relevant authority.

PURCHASER shall be entitled to deduct from the sums payable hereunder any sums required to be deducted by PURCHASER on account of withholding tax. Any sums so deducted shall be remitted immediately to the relevant authority or held in an earmarked client trust account until such time as PURCHASER is required to pay such sums to the relevant authority.

PURCHASER shall furnish to ARTIST at the earliest possible opportunity following the performance as is permitted under local law a certificate or receipt in respect of all sums deducted on account of withholding tax. Such certificate or receipt shall be in the form provided for under local law and, where permitted by local law, PURCHASER shall ensure that such certificate or receipt shall be made out in a name nominated by ARTIST or its advisors. An English translation of such certificate or receipt shall be provided by PURCHASER to ARTIST.

3. VAT:

All sums payable to the ARTIST under the Contract are expressed to be exclusive of value added tax or equivalent (if any). In the event that value added tax or equivalent is payable, PURCHASER shall advise ARTIST in advance of the performance in the event that PURCHASER is not entitled, under the legislation and /or regulations governing value added tax or equivalent in the country in which the performance takes place, to account for such tax on behalf of ARTIST. Unless the PURCHASER is not so entitled, PURCHASER shall notify ARTIST of its value added tax registration number (or equivalent). Notwithstanding the foregoing ARTIST shall have the right to charge value added tax (or the equivalent tax), if applicable, in respect of sums payable under this contract

D. METHOD OF PAYMENT: The ARTIST'S fee shall be divided into three (3) parts:

1. Unless otherwise provided in the contract an advance deposit against the guaranteed fee. E. EXCUSED PERFORMANCE

If, as the result of a Force Majeure Event (as defined below), PRODUCER or ARTIST is unable to, or is prevented from, performing the Engagement or any portion thereof or any material obligation under this Agreement, then PRODUCER's and ARTIST's obligations hereunder will be fully excused, there shall be no claim for damages or expenses by PURCHASER, and PURCHASER shall bear its own costs and expenses in connection with this Agreement. Notwithstanding the foregoing: (i) PURCHASER shall be obligated and liable to PRODUCER for such proportionate amount of the payment provided for herein as may be due hereunder for any performance(s) which PRODUCER may have rendered up to the time of the inability to perform by reason of such Force Majeure Event; and (ii) in the event of such non-performance as a result of a Force Majeure Event, if ARTIST is ready, willing, and able to perform (but for the occurrence of such Force Majeure Event), then PURCHASER shall nevertheless pay PRODUCER an amount equal to the full GUARANTEE plus all other payments and compensation due hereunder. For clarification, in the event of cancellation due to any Force Majeure Event, and whether or not ARTIST is ready, willing and able to perform, PURCHASER shall remain responsible for all transportation, accommodations, expense reimbursements and any other payments or compensation for PRODUCER/ARTIST and entourage pursuant to the terms of this Agreement.

F. INCLEMENT WEATHER

Notwithstanding anything contained to the contrary herein, inclement weather shall not be deemed a Force Majeure event and PURCHASER shall remain liable for payment to PRODUCER of the full GUARANTEE plus all other compensation due hereunder if the performance(s) called for herein is prevented by such weather conditions, regardless of which party (PRODUCER, ARTIST or PURCHASER) cancels the Engagement. For clarification, PURCHASER shall remain responsible for all other terms and conditions of this Agreement, including, without limitation accommodations, transportation, and expense reimbursements for ARTIST and touring party. PRODUCER shall have the sole right to determine in good faith whether any weather conditions shall render the performance(s) impossible, infeasible, hazardous or unsafe.

G. PRODUCER'S RIGHT TO CANCEL

PURCHASER agrees that PRODUCER may cancel the Engagement hereunder without liability by giving the PURCHASER notice thereof at least thirty (30) days prior to the commencement date of the Engagement hereunder. Upon termination of the Agreement in accordance with this Section G, PRODUCER shall return to PURCHASER any deposit previously received by PRODUCER in connection with the Engagement. Subject to the foregoing, upon such termination, the parties shall have no further rights or obligations hereunder, and each of the parties shall bear its own costs incurred in connection with this Agreement.

H. BILLING

- (1) ARTIST shall receive billing in such order, form, size and prominence as directed by PRODUCER in all advertising and publicity issued by or under the

control of the PURCHASER, including, but not limited to, displays, newspapers, radio and television ads, electric lights, posters, houseboards and announcements.

(2) PURCHASER may only use ARTIST's name and pre-approved voice, likeness, materials, pictures, photographs, image, or other identification of ARTIST (collectively, "ARTIST's Likeness") in connection with PURCHASER's advertising and publicizing of the Engagement, however PURCHASER's use of ARTIST's Likeness shall not be as an endorsement or indication of use of any product or service and no corporate or product/service name or logo shall be included in any such advertising and publicity absent PRODUCER's prior written approval in each instance. Notwithstanding the foregoing, the placement, form, content, appearance, and all other aspects of PURCHASER's use of ARTIST's Likeness shall at all times be subject to the prior written approval of PRODUCER.

I. MERCHANDISING

PRODUCER shall have the exclusive right to sell souvenir programs, ballet books, photographs, records and any and all types of merchandise including, but not limited to, articles of clothing (i.e. T-shirts, hats, etc.), posters, stickers, etc., on the premises of the place(s) of performance without any participation in the proceeds by PURCHASER subject, however, to concessionaire's requirements, if any, as specified in this Agreement.

J. NO RECORDING/BROADCAST

PURCHASER shall not itself, nor shall it permit or authorize others (including, without limitation, PURCHASER or venue employees, representatives or contractors) to record, broadcast, televise, film, photograph, webcast, or otherwise reproduce the visual and/or audio performances hereunder (or any part thereof) and/or ARTIST and/or PRODUCER's personnel at any time during the Engagement.

K. PURCHASER DEFAULT

(1) In the event PURCHASER refuses or neglects to provide any of the items herein stated or comply with any provisions hereunder, and/or fails to promptly make any of the payments as provided herein and/or fails to proceed with the Engagement and/or fails to furnish PRODUCER or ARTIST with any documentation, tickets or notice or proof thereof as required hereunder, at the times herein specified, then any such failure shall be deemed a substantial and material breach of this Agreement and PRODUCER shall have the right (in PRODUCER's sole discretion), without prejudice to any other rights and remedies to: (i) immediately terminate this Agreement and cancel any or all remaining Engagement hereunder; (ii) retain all amounts already paid to PRODUCER by PURCHASER as partial compensation for such breach; (iii) receive the full GUARANTEE (or the unpaid balance thereof) plus all other payments and other compensation due pursuant to this Agreement and all out of pocket expenses incurred by PRODUCER and ARTIST in connection with the Engagement or the transactions contemplated by this Agreement; and (iv) PRODUCER and ARTIST shall have no further liabilities and/or obligations in connection with the Engagement or the transactions contemplated by this Agreement. For the avoidance of doubt, in all instances PURCHASER shall remain responsible for all transportation, accommodations, and expense reimbursements for PRODUCER/ARTIST and entourage pursuant to the terms of this Agreement.

(2) If, on or before the date of any scheduled Engagement, PURCHASER has failed, neglected, or refused to perform any contract with PRODUCER/ARTIST, and/or any contract with any third party relating to this Engagement, and/or any other contract with any other performer for any other engagement (whether or not related), or if the financial standing or credit of PURCHASER has been impaired or is in PRODUCER's opinion unsatisfactory, PRODUCER shall have the right to demand payment of the full GUARANTEE and all other compensation due pursuant to this Agreement. If PURCHASER fails or refuses to make such payment forthwith, then any such failure shall be deemed a substantial and material breach of this Agreement, and PRODUCER shall have the right (in PRODUCER's sole discretion), without prejudice to any other rights and remedies, to: (i) immediately terminate this Agreement and cancel any or all remaining Engagement hereunder; (ii) retain all amounts already paid to PRODUCER by PURCHASER as partial compensation for such anticipatory breach; (iii) receive the full GUARANTEE (or balance thereof) and all other compensation due pursuant to this Agreement and all out of pocket expenses incurred by PRODUCER and ARTIST in connection with the Engagement or the transactions contemplated by this Agreement; and (iv) PRODUCER and ARTIST shall have no further liabilities and/or obligations in connection with the Engagement or the transactions contemplated by this Agreement. For the avoidance of doubt, in all instances PURCHASER shall remain responsible for all transportation, accommodations, and expense reimbursements for PRODUCER/ARTIST and entourage pursuant to the terms of this Agreement.

L. INSURANCE/INDEMNIFICATION

(1) PURCHASER shall obtain and maintain, from the date hereof through completion of the Engagement, public and comprehensive general liability insurance coverage in an amount of not less than Five Million Dollars (\$5,000,000) per occurrence (but in no event in amounts less than the limits required by the venue and/or as set forth in the ARTIST rider, if any) indemnifying and holding PRODUCER, ARTIST and ARTIST's traveling party and PRODUCER/ARTIST's respective officers, directors, principals, agents, employees and representatives, harmless from claims and/or actions by any and all persons who suffer death, personal injury or property damage during or incidental to any performance given under this Agreement or arising out of or in connection with this Agreement. The foregoing policies maintained by PURCHASER shall contain a waiver(s) of subrogation with respect to the PRODUCER, ARTIST and their respective officers, directors, principals, agents, employees and representatives, and each policy shall contain all appropriate riders and endorsements. PURCHASER will

provide evidence of the existence of the insurance coverage referred to herein by naming PRODUCER, ARTIST, and their respective officers, directors, principals, agents, employees and representatives, as "additional insureds" and providing PRODUCER with originals or copies of certificates of insurance so reflecting and providing that PRODUCER shall be notified in writing by the insurance carrier of any change or modification in the policy, not less than fifteen (15) days prior to the effective date of such change. PRODUCER's failure to request, review or comment on any such certificates shall not affect PRODUCER's rights or PURCHASER's obligations hereunder.

(2) Without limiting the generality of the foregoing, PURCHASER hereby indemnifies and holds PRODUCER and ARTIST, as well as their respective agents, representatives, principals, employees, officers and directors, harmless from and against any loss, damage or expense, including, without limitation, reasonable attorney's fees, incurred or suffered by or threatened against PRODUCER or ARTIST or any of the foregoing in connection with or as a result of any claim for death, personal injury or property damage or otherwise brought by or on behalf of any third party person, firm or corporation as a result of or in connection with the Engagement, or any acts or omissions of PURCHASER or its employees, agents, or other representatives in connection with the transactions contemplated by this Agreement, which claim does not directly result from the gross negligence of the ARTIST and/or PRODUCER.

M. ROLE OF AGENT

WILLIAM MORRIS ENDEAVOR ENTERTAINMENT, LLC acts only as agent for PRODUCER and assumes no liability hereunder and in furtherance thereof and for the benefit of William Morris Endeavor Entertainment, LLC, it is agreed that neither PURCHASER nor PRODUCER/ARTIST will name or join William Morris Endeavor Entertainment, or any of its officers, directors, principals, agents, employees and representatives as a party in any civil action or suit anywhere in the world, arising out of, in connection with, or related to any acts of commission or omission pursuant to or in connection with this Agreement by either PURCHASER or PRODUCER/ARTIST.

N. NOTICES

All notices required hereunder shall be given in writing at the addresses stated in the preamble of this Agreement.

O. CONTROLLING PROVISIONS

In the event of any inconsistency or conflict between the provisions of this Agreement and the provisions of any riders, addenda, exhibits or any other attachments hereto, the parties agree that the provisions most favorable to PRODUCER and ARTIST shall control.

P. LIMITATION OF LIABILITY

In no event shall PRODUCER and/or ARTIST (nor any of their respective agents, representatives, principals, employees, officers, directors and affiliates) be liable to PURCHASER (or any third party) for any indirect, incidental, consequential, special, punitive (or exemplary), or any similar damages, including, without limitation, lost profits, loss of revenue or income, cost of capital, or loss of business reputation or opportunity, as to any matter under, relating to, or arising out of the Engagement or the transactions contemplated by this Agreement, whether in contract, tort or otherwise, even if PRODUCER and/or ARTIST has been advised of the possibility of such damages. Under no circumstances shall the liability of PRODUCER and/or ARTIST (or any of their respective agents, representatives, principals, employees, officers, directors or affiliates) exceed, in the aggregate, an amount equal to the lesser of (i) the amount of reasonably necessary out-of-pocket expenses directly incurred by PURCHASER in connection with the Engagement; or (ii) the amount of the GUARANTEE which ARTIST and/or PRODUCER have actually received in accordance with the terms of this Agreement. PURCHASER agrees that it shall not (and shall cause its affiliates not to) seek indirect, incidental, consequential, special, punitive (or exemplary), or any other similar damages as to any matter under, relating to, or arising out of the Engagement or the transactions contemplated by this Agreement.

Q. MISCELLANEOUS PROVISIONS

(1) Nothing in this Agreement shall require the commission of any act contrary to applicable law or to any rules or regulations of any union, guild or similar body having jurisdiction over the services and personnel to be furnished by PRODUCER to PURCHASER hereunder. In the event of any conflict between any provision of this Agreement and any such law, rule or regulation, such law, rule or regulation shall prevail and this Agreement shall be curtailed, modified, or limited only to the extent necessary to eliminate such conflict.

(2) This (and any of PRODUCER's riders, addenda, exhibits or attachments hereto) constitutes the sole, complete and binding agreement between the parties hereto, and may not be amended, supplemented, altered or discharged except by an instrument in writing signed by the parties.

(3) This Agreement shall be construed in accordance with the laws of the State of California applicable to agreements entered into and wholly to be performed therein. Unless stipulated to the contrary in writing, all disputes arising out of this Agreement, wherever derived, shall be resolved in Los Angeles County in the State of California in accordance with the laws of that State; in the event of any such dispute, either party may effect service of process on the other party by certified mail, return receipt requested, and said service shall be equivalent to personal service and shall confer personal jurisdiction on the courts in Los Angeles County in the State of California and shall be deemed effective upon the earlier of the recipient's mail receipt date or ten (10) days after the mailing of such process, provided that a duplicate of such process shall have been mailed to the other party by ordinary mail at the same time as the certified mailing.

(4) PURCHASER shall not have the right to assign or transfer this Agreement, or any provision thereof.

(5) The waiver of any breach of any provision of this Agreement shall not be deemed a continuing waiver, and no delay in exercise of a right shall constitute a

waiver.

(6) Nothing herein contained shall ever be construed as to constitute the parties hereto as a partnership, or joint venture, nor to make PRODUCER and/or ARTIST liable in whole or in part for any obligation that may be incurred by PURCHASER, in PURCHASER's carrying out any of the provisions hereof, or otherwise. THE PERSON EXECUTING THIS AGREEMENT ON PURCHASER'S BEHALF WARRANTS HIS/HER AUTHORITY TO DO SO, AND SUCH PERSON HEREBY PERSONALLY ASSUMES LIABILITY FOR THE PAYMENT OF SAID PRICE IN FULL.

(7) The terms "ARTIST" and "PURCHASER" as used herein shall include and apply to the singular and the plural and to all genders.

(8) This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one (1) and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or electronic delivery (i.e. PDF format), including electronically signed versions of the same, shall be as effective as delivery of a manually executed counterpart of this Agreement and shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

**STAR WARS IN CONCERT
TECHNICAL MANUAL
INDOOR ARENA SHOW
REVISED: August 1, 2009**

A. STAGE:

The production will be carrying its own rolling stage. The size will be sixty-eight (68) feet (20.7 meters) wide, and fifty (50) feet (15.2 meters) deep and four (4) feet (1.2 meters) high.

The upstage corners of the stage will need to be placed twenty (20) feet (6.1 meters) from the upstage wall or if there is an overhang, from the overhang. If the last upstage rigging point is downstage of the wall, seats or overhang, the stage should be placed downstage from the rigging beam.

We will not need a barricade.

First row of seats should be eight (8) feet (2.4 meters) from the downstage edge.

B. FLOOR LEVELING:

A level floor is required. In the situation where there is ice on the arena floor covered by plywood or other ice covering, it is imperative that this covering be as level, smooth and secure as possible. **This level ice floor covering is of the utmost importance to the production and particular attention must be paid to this matter.**

C. RIGGING: SOUND, LIGHTING AND VIDEO: (SEE ATTACHED RIGGING PLOT)

Note: If we have to pre-rig hanging points, we will discuss the crew calls with you for the pre-rigging at the same time we set the regular stage calls.

It is our intention to hang all sound and lighting. The hanging points and weights are indicated on the attached diagram. CM Lodestar chain hoists, or equal, will be utilized for lifting.

Note: We will bring in and use our own lights, sound and video, but this does not limit us from using any venue lights, sound or video we may desire.

D. SOUND & LIGHTING MIXER LOCATIONS AND RISERS:

1. Front of House Sound and Lighting Mixers must be approximately one-hundred (100) feet (30.48 meters) to one-hundred ten (110) feet (33.5 meters) from the downstage edge of the productions stage. The two (2) mixers may be in the same location on arena floor. The exact position will be determined at set-up time. They will occupy a space of sixteen (16) feet (4.9 meters) wide and twenty-six (26) feet (7.9 meters) deep on the main floor.

1a. A shadow of seats should be killed behind the mix to approximately seven (9) feet (2.7 meters) high.

2. The production will need the use of seven (7) house risers.

6 x 4 feet (1.22 meters) wide by 8 feet (2.44 meters) deep and 2 feet (.61 meters) high.

1 x 4 feet (1.22 meters) wide by 8 feet (2.44 meters) deep and 4 feet (1.22 meters) high.

To be placed day of show.

E. FORKLIFT TRUCKS:

Three (3) forklifts are required with pneumatic tires, a minimum lift of 3000 lbs. (1360 kgs.), and a minimum reach of 12 feet (3.7 meters). Forklifts are to be supplied with certified operators. The forklifts and operators shall be available to us for the entire period that we are in the building (from time of move-in until all of our equipment is reloaded on our trucks). Provisions must be made to have extra fuel available for the forklifts, especially after the show when operations personnel may not be available.

It is necessary that the forklifts be allowed full access to any area of the arena floor during the entirety of the load-in and load-out. This includes arenas with permanent basketball floors and other unusual or special flooring situations.

F. POWER REQUIREMENTS:

Ideally, we need to have show power provided on two (2) separate main service transformers, one transformer for the sound and video systems and the second transformer for the other services.

Power connections will be discussed and agreed upon in advance. The list below is our normal power request.

1) Lighting: Four (4) Each, Four Hundred (400) Amps, Three (3) Phase, Five (5) Wire, at 120/208 Volts A.C. 60 Hz. This service may be modified if the venue has a particular restriction on amount of available power. PLEASE CONSULT WITH THE PRODUCTION MANAGER!

2) Sound: One (1) Each, Two Hundred (200) Amps, Three (3) Phase, Five (5) Wire, 120/208 Volts A.C. 60 Hz. Note:

One (1) Each, One Hundred (100) Amps, Three (3) Phase Five (5) Wire, 120/208 Volts A.C. 60 Hz. Note: This service should be in a catwalk or venue ceiling on the opposite end from the stage.

3) Rigging / Stage Power: One (1) Each, Two Hundred (200) Amps, Three (3) Phase, Five (5) Wire, 120/208 Volts A.C. 60 Hz. If Necessary This service may be tied into another of the above listed services. Please consult with our electrician on this.

4) Video: One (1) Each, Four Hundred (400) Amps, Three (3) Phase, Five (5) Wire, 120/208 Volts A.C. 60 Hz.

5) Lasers: One (1) Each, One Hundred (100) Amps, Three (3) Phase, Five (5) Wire, 120/208 Volts A.C. 60 Hz.

All power is needed at the pre-rig/load-in time. Exact timing for connection will be determined in advance.

Note: If the power you are providing is: Three (3) Phase Five (5) Wire, at 220/380 Volts A.C. 50 Hz. Then you will need to split the amps. in half from the above list.
We will also need some transformers.

G. FOLLOW SPOTS:

Two (2) house spots.

We normally run our own headset stations to the spotlight and house light board locations. However, we may wish to use 'dry' audio circuits in the building. Our intercom system is made by "Clear-Com".

H. UNION / CREW CALLS:

Exact calls for House Crew, Stagehands, Electricians, and Riggers will be set at the advance meeting and confirmed at least two (2) days in advance of show by our Production Manager. Please forward as soon as possible. An exact breakdown of cost estimates for all labor following the guidelines and schedule discussed during the advance meeting.

Immediately following the performance, an adequately large (approximately 24-28) crew of people must be assigned to take up all the chairs and sweep the floor, so that production crews will have access to a clean, safe working area for load-out. 3/4ths of the floor should be clear of chairs within 30 minutes of the end of the performance!

J. TELEPHONES:

The early assignment of the actual telephone numbers is important. Please spare no effort to ensure that we have them as soon as possible for inclusion in our itineraries.

Telephones and their placement are essential to our show's operation. Please order immediately six (6) temporary or "short duration" service, single private lines, Touch-Tone compatible, to be installed backstage in the Production Offices. (The Local Promoter may request additional lines for their use.) Service should begin at 6:00 AM on the day of our move-in and be disconnected early on the day after our engagement. We bring some of our own telephone instruments. For those instruments we will need Analog RJ-11 jacks.

The lines must be Touch-Tone compatible and must be setup for unrestricted direct dial long distance and international service. "Dial 9" service through a venue phone system is acceptable.

The telephones are to be positioned as follows:

The Production Office:

Two (2) private lines installed. These lines must be set-up to "Hunt" or "Rollover". (If the first line is busy the next will ring.)

One (1) private line for fax use. This line must not be set up to "Hunt" or "Rollover" nor should it have "Call Waiting" service activated.

An extension from the building switchboard is also requested.

The Management Office: One (1) private line installed.

The Accountant's Office: One (1) private line installed.

The Promoters Office: One (1) private line installed.

High Speed Internet Service: If the building has DSL we would like one line in each: production office, management office, accounting office, and the promoters office.

K. PRODUCTION OFFICES:

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

Mr. Robert Steitz
Senior Associate Athletic Director
VILLANOVA UNIVERSITY
800 Lancaster Avenue
Villanova, PA 19085-1674

Dear Bob:

This is to commit to writing our agreement whereby the Villanova men's basketball team will play the Fordham University men's team at the IZOD Center in the Meadowlands Sports Complex during the 2009-2010 season. The date of the game is to be determined, however efforts are being made to find a mutually convenient date for all three parties on a weekend in December, 2009.

Following are the broad financial terms between the IZOD Center (New Jersey Sports & Exposition Authority) and Villanova:

- Ticket prices will average \$30.
- There will be student-priced tickets at \$15.
- Villanova is guaranteed a minimum of \$50,000.
- Villanova will receive 70% (seventy percent) of ticket revenues above \$180,000 dollars in gross ticket sales.

As an example, if gross tickets of \$210,000 are sold, following would be the computation to learn what Villanova earns:

Villanova guarantee:		\$50,000
Gross ticket sales:	\$210,000	
Equates to after NJ Sales tax (7%):	196,262	
Additional Revenue Threshold:	-180,000	
	16,262	
	x 70%	+11,383
Total Payment to Villanova:		<u>\$61,383</u>

Bob, certainly a date must be finalized and a bona fide contract produced and executed. However, I think for planning purposes and to move forward this memo of understanding will suffice.

Please let me know if any of the above-mentioned information is erroneous or not of your understanding. Let's plan to speak when I return from vacation the week of August 11th. I look forward to continuing to work together to ensure that the Villanova vs. Fordham game at the IZOD Center in the Meadowlands becomes a reality.

Thanks for your cooperation and direction.

Best personal regards.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike", written over the word "Sincerely,".

Dear Frank:

This is to commit to writing our agreement whereby the Fordham men's basketball team will play the Villanova University men's team at the IZOD Center in the Meadowlands Sports Complex during the 2009-2010 season. The date of the game is to be determined, however efforts are being made to find a mutually convenient date for all three parties on a weekend in December, 2009.

Following are the broad financial terms between the IZOD Center (New Jersey Sports & Exposition Authority) and Fordham:

- Ticket prices will average \$30.
- There will be student-priced tickets at \$15.
- Fordham is guaranteed a minimum of \$15,000.
- Fordham will receive 15% (fifteen percent) of ticket revenues above \$180,000 dollars in gross ticket sales.

As an example, if gross tickets of \$210,000 are sold, following would be the computation to learn what Fordham earns:

Fordham guarantee:		\$15,000
Gross ticket sales:	\$210,000	
Equates to after NJ Sales Tax (7%):	196,262	
Additional Revenue Threshold:	- 180,000	
	16,262	
	x 15%	+2,439
Total Payment to Fordham		<u>\$17,439</u>

Frank, certainly a date must be finalized and a bona fide contract produced and executed. However, I think for planning purposes and to move forward this memo of understanding will suffice.

Please let me know if any of the above-mentioned information is erroneous or not of your understanding. Let's plan to speak when I return from vacation the week of August 11th. I look forward to continuing to work together to ensure that the Fordham vs. Villanova game at the IZOD Center in the Meadowlands becomes a reality.

Thanks for your cooperation and direction.

Best personal regards.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike", written over the word "Sincerely,".

(Payment in accordance with paragraph 4 above.) In the event additional personnel, including without limitation, non-working stewards or department heads, are required as a result of any written contracts or oral agreements entered into by Licensor with any third party, Licensor shall provide, employ, control, and pay the cost of all such additional personnel. Licensor shall ensure that all training required by law, including, without limitation, health and safety training, is provided to all personnel referenced in this paragraph, and Licensor shall maintain documentation of such training, which shall be made available to Licensee upon request.

8. **LICENSES & PERMITS:** Licensor shall obtain and pay for all licenses and permits which are required by any governmental authority in connection with the presentation of the Event hereunder and provide Licensee with evidence thereof at least thirty (30) days in advance of the Engagement.

9. **SERVICES PROVIDED BY LICENSOR:** For the Event hereunder, Licensor shall, at its sole cost and expense:

(f) Provide sufficiently equipped office space in the Venue for the staff of the Event for a period commencing one (1) week before the Engagement and ending one (1) day after the Engagement, including the use of telephone service through the Venue switchboard. Licensee shall pay for its own long-distance calls.

(g) Provide a total of six (6) spotlights in good working order (each having at least the intensity and capability of a Super Trouper), plus platforms and electrical connections (in locations designated by Licensee) and such other lighting and electrical equipment as is available for staging the Event.

(h) Provide a two-way intercommunicating telephone system with head sets, double earphones and mouthpieces, telephone operator type, between all spotlight operators and electrician controls, Event sound system and backstage to a master station from which the person directing lights for the Event can see competitors enter and exit.

(i) Provide the required full-range integrated sound system and its operator and microphones.

(j) Provide installation of electrical feeds and cables for Event boxlights and equipment.

(k) Provide suitable devices to prevent light from entering the seating and Event areas of the Venue when Event requires a blackout.

(l) Raise or remove, if necessary, any scoreboard, speaker cluster, or other equipment over the Venue floor to a height of not less than fifty-five feet (55') so that they will in no way interfere with spectator sightlines. Licensor shall not use any telescreen, LED signage technology, or similar device for any purpose during any performance of the Event without the express written consent of Licensee.

(m) Provide, employ and control (i) building superintendent and engineers; (ii) sufficient janitors, sweepers, cleaners, restroom attendants and other custodial workers for the proper cleaning of the Venue, including, but not limited to, the cleaning of all Venue areas that may be accessible to patrons ("Patron Areas") before move-in and prior to each Event and continuously throughout each Event; to maximize the safety of Patron Areas; (iii) the standard building security services; (iv) electricians to connect and disconnect house power to Licensee's equipment as specified by Licensee; (v) house light operator; (vi) event manager and maintenance and service personnel required to adequately manage, operate and maintain the Venue; (vii) switchboard operators and regular telephone service; (viii) use of any marquee, readerboard, telespot, or video board and operators, if such operators are required by Licensor; (ix) firemen; (x) first aid attendants; (xi) locally licensed pyrotechnician, if required by state or local law; and (xii) all other personnel which are required to be hired by working agreements or contracts entered into by Licensor, by law or by Venue rules and regulations (unless otherwise stated in paragraph 4 above).

(o) Carry and pay for Workers' Compensation Insurance in the amounts required by law with respect to Licensor's employees, and ensure that all of Licensor's contracted personnel are so covered.

10. **SERVICES PROVIDED BY LICENSEE:** For the Engagement of the Event hereunder Licensee shall, at its sole cost and expense:

(a) Furnish the competitors and such other personnel and equipment as Licensee deems appropriate for the presentation of the Event.

(b) Transport all such personnel and equipment of the Event to and from the Venue.

(c) Conduct the advertising and publicity campaign.

(d) Obtain all ASCAP, BMI and similar licenses and rights to use patented and/or copyrighted music, materials, equipment, devices, or dramatic rights used in connection with the presentation of the Event. Licensee agrees to indemnify Licensor against any claim or liability resulting from Licensee's failure to obtain any licenses in accordance with the foregoing or the infringement of any copyright used in the Event.

(e) Carry and pay for Workers' Compensation Insurance with respect to Licensee's employees.

11. **EVENT CRITERIA:** The schedule of Events for the Engagement shall be determined by Licensee. Licensee may designate a day or days during the Engagement as a day or days on which no Events will be held; however, Licensee shall have full access to all licensed areas on non-Event days.

12. **SUITES/SPECIAL SEATING:**

(a) All seats in the Venue or any of its facilities which permit the occupant to view any of the Events shall be included in the ticket manifest for Events hereunder, including, without limitation, all seats in loges, sky boxes, suites, club seats and all other similar special seating whether sold by the season, by individual Event or on any other basis (hereinafter, collectively "Special Seats"). Licensor shall contribute to the gross receipts for each Event an amount equal to the total number of Special Seats which have been sold for each Event or occupied on any basis, multiplied by the ticket price as noted in paragraph 4 above.

(b) In the event that any Special Seats are located behind the stage set curtain line, Licensor will have the option to relocate the individuals who are to occupy such Special Seats to any non-VIP seat for that same Event. For each Special Seat that is relocated, Licensor shall contribute to the gross ticket sales for that Event an amount equal to the actual ticket price of the new (relocated) seat.

13. **BOX OFFICE:**

(a) Licensor, through its computer ticket service, shall provide adequate tickets for the requirements of the Venue at the scale of prices set by Licensee which shall not include any surcharge or other levy except for those taxes specified in paragraph 3. Licensor shall place tickets on sale at such time as may be determined by Licensee, and Licensor shall provide Licensee with a certified manifest of all tickets for the Engagement at least three (3) days prior to the commencement of ticket sales for the Engagement. Licensor shall insure that in the event of computer failure, Licensor will either take alternative measures to provide sufficient tickets for walk-up sales or will indemnify Licensee for any revenues lost as a result of any failure of, or problem with, Licensor's computer system.

(b) Licensor will not modify its existing arrangement or enter into any new arrangement with any computer ticket service for the exclusive sale of tickets to events at the Venue which will apply to or in any way affect the sale of tickets to any Event hereunder without first obtaining the written approval of Licensee to the terms thereof, insofar as they affect Licensee and Event patrons, and no such arrangement shall be applicable to the sale of Event tickets unless approved by Licensee.

(c) Licensor will provide all personnel, services and facilities, both at the Venue and elsewhere, necessary for the adequate sale of tickets to the Events, including, but not limited to, a box office treasurer, ticket sellers for advance sales (including mail order), telephone charge sales, personnel to fill group sales orders, agency sales, Event window sales, and sales at any of the Venue's outside ticket outlets, and to pay all costs incurred in connection with such sales, including, but not limited to, the cost of any telephone charge system that is used or other special telephone service, internet services, money pickup service, all charges related to any computer ticket or reservation system that Licensor may utilize for the sale of tickets hereunder and any sales outlet or credit card commissions. Consideration for the foregoing personnel, services and facilities is noted in paragraph 4 above. If Licensee finds Licensor's usual outlet(s) inadequate for the sale of Event tickets, Licensee may establish additional outlets with the cooperation of Licensor.

(d) Beginning with the date tickets are placed on sale, Licensor will furnish Licensee with a daily statement on forms furnished by Licensee, showing a breakdown of sales of all tickets, specifying separately daily advance box office sales, mail order sales (including the number of mail orders received), agency sales, group sales, outlet sales, internet sales, telephone charge sales and, after the beginning of scheduled Events, daily current box office sales.

(e) Licensor shall collect all monies from the sale of all tickets and shall maintain regular books and records pertaining to the Engagement, including a true and accurate account of all monies collected. All monies collected shall be deposited promptly in a bank account established by and in the name of Licensor. Upon request, Licensor shall transfer a portion of such monies to Licensee. Licensee agrees that to the extent such transfers have been made, it will immediately transfer to Licensor's account any monies required for refunds in the event of cancellation of any Event. Any refunds shall be determined by mutual agreement between Licensee and Licensor. Licensor shall have the sole obligation of distributing any refunds in accordance with any and all applicable laws and to file and pay in a timely manner any federal, state, county, provincial, local and/or other taxes, which may be assessed on tickets to Events, and any amounts relating to Licensor's failure to do so, and Licensor shall release Licensee from liability and indemnify Licensee in respect of any responsibility for the distribution of such refunds and for the payment of such taxes.

(f) Immediately after each Event, Licensor shall complete and deliver to Licensee a certified box office statement relating to the exact sales for said Event, all unsold tickets, turnstile counts, computer manifests, and stubs retained by ticket takers on forms supplied by Licensee. Licensee, by duly designated representatives, shall have the right to inspect the box office and all records and transaction reports with respect to the admission receipts, including unsold tickets and stubs of tickets sold. Licensor will conduct a drop count in a manner acceptable to Licensee. Licensee's duly designated representatives will be admitted to the box office at any and all times during the sale of tickets for the Engagement. Licensor will account for all tickets and/or cash receipts therefor in accordance with the certified ticket manifest, and shall bear any losses or shortages of money resulting from fire or other casualty, hold-up, theft, infidelity, default by any of Licensor's ticket agencies, or bad checks.

(g) Upon completion of the last Event hereunder, there shall be an immediate accounting and settlement of amounts due and owing to the parties hereunder. In arriving at settlement, there shall be no offsets whatsoever for claims by one party against the other which do not relate to ticket sales, including, but not limited to, claims for damage to the Venue or its equipment which shall be handled in accordance with paragraph 25 below. No financial information (including but not limited to information regarding gross ticket sales and expenses) with respect to the Engagement shall be released by Licensor except with the prior written approval of Licensee.

(h) Licensor and Licensee agree to use their best efforts to maximize the sale of tickets to Events hereunder. Licensor will not commence the sale of tickets during the period one (1) week prior to and during the Engagement of the Event for any non-sporting event to be held at the Venue without the prior written consent of Licensee.

(i) Licensee owns any customer list that is generated in connection with the presentation of the Engagement and all information that may be contained thereon. Neither Licensor nor its employees or agents will use such customer list or provide such customer list or the information contained thereon to any third party without the prior written consent of Licensee.

14. **SERVICE CHARGES:**

(a) The following service charges and handling fees shall be in effect for each Engagement hereunder and shall be applied in accordance with the Actual Ticket Price. Actual Ticket Price shall be defined as the price paid for ticket(s) including sales tax (if applicable) and after applying discounts, and shall not include any amounts charged for facility fee(s), ticket delivery fee(s), or other charge(s) (if any). Current service charges are as follows, and are subject to change on an annual basis:

	Actual Ticket Price: ≤\$9.99	\$10.00 - \$19.99	\$20.00 - \$44.99	≥\$45.00

(b) A \$5.50 per-order handling fee may be applied to telephone and internet sales.

- (c) There shall be no per-order handling fee for outlet sales.
- (d) There shall be no per-ticket service charge(s) for mail order sales.
- (e) The Venue box office shall not impose any service charge or handling fee in connection with over-the-counter sales of tickets (including group sales orders) for each Engagement hereunder.
- (f) No facility fee or other surcharge, including credit card commissions, may be added to Licensee's established ticket price, except as may be indicated in paragraph 4 above. Any amounts added in violation of this provision shall become the exclusive property of Licensee.
- 15. POSSESSORY INTEREST TAX:** It is the contemplation of the parties to this Agreement that no possessory interest or similar tax shall be imposed upon Licensee by any taxing agency of the State where the Venue is located or of any county, municipality or other subdivision thereof during the term of this Agreement since, among other things, Licensee does not have exclusive and continuous use and control of the Venue. However, if any such tax is imposed upon Licensee during the term of this Agreement, Licensor shall credit the amount of the tax paid by Licensee against any and all sums due or to become due from Licensee to Licensor under the terms of this Agreement. If Licensee has paid Licensor before the tax is paid, then Licensee shall have a credit as to consideration to become due under any renewal or extension of this Agreement and, if none, Licensor shall reimburse Licensee in the amount of the tax immediately upon written request from Licensee.
- 16. CONCESSION RIGHTS:** Licensee shall have the sole and exclusive right, but not the obligation, to sell concessions noted in paragraph 4 above, both inside and outside the Venue and in the seats to the audience before, during, and after Events and during intermission through its own vendors or through concessionaires designated by it (collectively "Vendors"). Novelties and souvenirs shall include but are not limited to coloring books, balloons, toys, games, lights, hats and other apparel, booster seats, banners, photographs, photographic services, posters, DVDs, plush toys, and dolls. Neither Licensor nor any of its concessionaires shall charge any concession fee therefor, and all monies collected by Licensee from such sales, including proceeds of sales of advertising in Event program books, shall belong exclusively to Licensee and shall not be included in gross receipts. For the purpose of such concession sales, Licensor shall supply to Licensee or Vendors, at no charge, adequate locations, at least equal in quantity and placement to those supplied for the most recent previous engagement (if applicable), in the Venue including electrical and water hook-ups, water and electricity. Neither Licensor nor any of its concessionaires shall sell concession items in the categories covered in this paragraph or concession items which are substantially similar to those categories covered herein during the Engagement hereunder, nor shall they sell in the seats to the audience except at times Licensee permits Vendors to sell there. Licensor represents that it has not signed any contracts or entered into any oral agreements with respect to concession operations at the Venue and its facilities which will require Licensee to utilize or pay for personnel in connection with Licensor's concession operations in addition to Vendors and their personnel. In the event any additional personnel are required or additional costs incurred as a result of any future contracts entered into by Licensor, such personnel and costs shall be paid for by Licensor. To the extent permitted by law, Licensor and Licensee and its subsidiary companies shall have the exclusive right to use voice amplification equipment during the Engagement in areas outside of the Venue that are open to the public. This right may not be assigned to any third party without the prior written consent of the non-assigning party.
- 17. CLEARANCE WINDOW:** Licensor agrees that it will not allow the performance of any other motor sports event in the Venue during the period commencing on the dates prior to, and ending after such Engagement hereunder, as noted in paragraph 4 above. In addition, if any such motor sports event is scheduled after the periods indicated, Licensor will not, without Licensee's prior written consent, advertise or publicize performances of any other such event, nor allow any third party to so advertise or publicize until after the completion of the Engagement hereunder. Licensor acknowledges that its breach of this provision will cause Licensee irreparable harm for which money damages alone are an inadequate remedy due, among other things, to the impossibility of precisely ascertaining the same and that, in addition to remedies available to it at law, Licensee shall be entitled to injunctive and other equitable relief for such breach or threatened breach.
- 18. BROADCAST RIGHTS AND TRADEMARK:** Licensor shall have no broadcast or reproduction rights with respect to the Event, and no television, radio, transmitting, recording or photographing device shall be used in any manner or form to reproduce any of the Events in the Venue, except for the account of Licensee which retains the sole and exclusive rights with respect to any such broadcast or performance and the proceeds thereof. Licensee's rights shall include, without limitation, the right to produce a video, DVD or other recording in any medium now known or hereafter invented, for resale or other purpose, composed in whole or in part of the Event's activities and to permit television and radio personnel to record highlights of the Event in the Venue in any medium for the purpose of giving publicity to the Event; and Licensor grants Licensee the right to include images of the Venue in any of the aforementioned recordings without any further compensation to Licensor.
- 19. SPECIAL PROMOTIONS:** Licensee shall have the right to engage in special promotions on opening night or in connection with other Events at which attendance may be weak if, in Licensee's judgment, such efforts will be mutually beneficial and may significantly increase gross ticket sales or total attendance or be advantageous from a goodwill and publicity point of view. Only those proceeds which Licensee actually retains in connection with such promotions will be included in the calculation of adjusted gross receipts.
- 20. SPONSOR(S):** Licensee shall have the right to engage sponsor(s) for the Engagement hereunder and shall retain all revenue derived from any such sponsor(s). Licensor will cooperate with Licensee in regard to any such sponsor(s) to enable Licensee to fulfill its obligations under any sponsorship agreement entered into by Licensee.
- 21. ON-SITE PUBLICITY:** Commencing at least five (5) weeks prior to the first Event of the Engagement, Licensor will cause the forthcoming Engagement of the Event to be advertised, without charge to Licensee, on all normally available advertising media at the Venue and on all public address systems of the Venue at times it reasonably deems appropriate, in any appropriate brochures sent out by Licensor and on any radio or television programs owned or controlled by Licensor. In addition, Licensor will include advertising with respect to such Engagement in any issue of a newsletter or any similar method of advertising distributed during the period ninety (90) days prior to the commencement of the Engagement and in any other issues thereof in which events for the upcoming year or season are advertised. In the use of the Event name, the complete name shall be used exactly as it is defined on page 1 of this Agreement, and the entirety thereof shall appear in 100% equal size. If Licensor has a website, Licensor agrees to link to Licensee's website.
- 22. COMPLIMENTARY TICKETS:** Complimentary tickets shall be limited to an amount consistent with good business practice (unless otherwise noted in paragraph 4) and shall only be issued when attached to forms furnished by Licensee.
- 23. COMPLIANCE WITH RULES AND REGULATIONS:**
- (a) Licensee and Licensor shall comply with the applicable requirements of all laws, orders and regulations of federal, state, county, provincial and municipal authorities.
- (b) Licensee shall not paint, drill into, or deface any part of the Venue facilities without Licensor's consent, which will not be unreasonably withheld.
- 24. BUILDING ACCESS:** Licensor, its directors, servants, employees, and agents shall have free access to the Venue facilities upon presentation of passes issued to them by Licensor but only if actually working during the Event to which they request admission.
- 25. SURRENDERING OF THE VENUE:** Upon the conclusion of the Engagement of the Event, or the early termination of this Agreement for any reason, Licensee shall quit and surrender the Venue to Licensor. Upon such quitting and surrender, the Venue shall be in the same condition as at the beginning of the Engagement, ordinary wear and tear, damage by fire, Act of God, or unavoidable casualty excepted. Representatives of Licensee and Licensor shall survey the Venue both before and after the Engagement to determine the extent of any damages caused by Licensee in connection with the Engagement, with the same two (2) representatives from each party participating in both the pre and post walk-through. Any claims by Licensor for damages shall be verified by Licensee's representative and submitted for payment in accordance with paragraph 30. In the event the repair of any verified damages cannot be accomplished by Licensor's employees, Licensor shall obtain three (3) written estimates of the cost of such repairs and forward the same to Licensee.
- 26. ADA COMPLIANCE:** Licensor warrants that Licensor and Venue currently comply with the provisions of the Americans with Disabilities Act of 1990 (the "ADA") to the extent that such provisions may apply. Licensor will defend, indemnify and hold

harmless Licensee for and against any liability, penalty, fine, punishment, judgment, damage or claim, whether civil, administrative or otherwise which may arise or be imposed in connection with Licensor's and/or Venue's failure or alleged failure to comply with the ADA.

27. **DELAY OR INTERFERENCE:** Licensor will not permit any use of the Venue which will delay any Event or in any way interfere with Licensee's use of the Venue. Licensor will arrange for the clearance of the Venue floor and facilities, at no cost to Licensee, in sufficient time to permit Licensee to move-in in accordance with paragraph 1(a) above and to set up for each of its scheduled Events. Licensee shall not be required to present any Event over ice, and Licensor will remove, at no cost to Licensee, all ice on or under the Venue floor prior to the time access is given to Licensee in accordance with paragraph 1(a) above. In the event Licensor is required to furnish ice in connection with the use of the Venue by others immediately after the Engagement, it will not turn on any refrigeration equipment until after the completion of the Engagement.

28. **FORCE MAJEURE:** Neither party shall be liable to the other party for the failure to perform any of the terms and conditions of this Agreement when such failure is attributable to an Act of God, by the government taking possession of the Venue or other government rules, regulations or actions, circumstances limiting the ability of the Event or its personnel to travel (such as but not limited to, railroad, airline or bus strike or accident, severe weather conditions, declaration of a national or state emergency, etc.) or by any other circumstances not under the control of such party. If any such event shall cause a delay but shall not be an independent reason for cancellation of an entire Engagement, the remaining Events shall be presented and this Agreement shall continue to be in full force and effect, except as to the number of Events. If the Event is prevented by Licensor by reason of any labor disputes between Licensor and any of its employees or between Licensor and any other personnel it has agreed to provide under the terms of this Agreement, Licensee is hereby authorized to contract for the necessary labor required for the Engagement at Licensor's expense.

29. **ASSIGNMENT:** Neither party shall assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other party, except that no such consent shall be required in the case of an assignment by Licensee to a corporation or other entity which owns or acquires substantially all of its stock or assets and carries on its business in substantially the same manner. Subject to the foregoing, this Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective permitted successors and assigns.

30. **NOTICES, CONSENTS OR APPROVALS:** Any notices, consents or approval required or permitted hereunder shall be properly given if in writing and personally delivered or forwarded by mail, postage prepaid, addressed to the following addresses (or such other addresses as may from time to time be designated in writing by either party):

31. **PROTECTION OF PROPRIETARY/CONFIDENTIAL INFORMATION:** Any non-public information that either party furnishes, directly or indirectly, to the other, including, without limitation, information in tangible or intangible form relating to and/or including trademarked, copyrighted or otherwise proprietary information of either party, financial and marketing information, negotiation strategy, business plans, contractual terms, budgets, mailing and customer lists, attendance figures, sales volume, customer data, current or prospective relationships with vendors or independent contractors, business policies or practices, and information received from others ("Confidential Information") shall not be disclosed, copied, reproduced or otherwise made available to any other person or entity without the consent of the owning party except as required under court order or the Freedom of Information Act (5 U.S.C. 33. **PRIVATE MANAGEMENT:** If Licensor is a private management company and if at any time during the term of this Agreement, Licensor ceases to be the operator for the Venue, Licensee shall have the right but not the obligation to terminate its Agreement by notifying Licensor who, in turn, shall notify the owner of the Venue as to Licensee's decision.

34. **WAIVERS:** The delay or failure of either party to assert or exercise any right, remedy or privilege hereunder shall not constitute a waiver of any such right, remedy or privilege. No such waiver shall be effective unless in writing, and then only in the specific instance for which given.

35. **WRITTEN MODIFICATIONS:** This Agreement constitutes the entire understanding between the parties and may not be modified or amended orally but only by an instrument in writing signed by both parties.

Teen Mania Ministries, Inc. Addendum "B"Acquire the Fire Volunteer Outline

Our volunteer team is made up of adults who are assigned a job in one of three areas:

Merchandise: These people work behind our tables, selling our shirts, books, CD's and novelties. The tables are only open during our breaks, these volunteers are able to sit in on our sessions. We do have at least one person remain at each table during the sessions to send wandering attendees back to their seats and to watch over the table.

Door Team: These people help us as at the doors as greeters, even pass/wristband checkers, manual passers, and general human speed bumps to keep the kids from running as they come in. They also help throughout the weekend with the people flow in the concourse of each of our 2 breakout areas/rooms, mainly directing attendees where to go during the movement times.

Ushers: These hard workers are assigned to the inside of the arena. They are placed at an average of 1 per 10 rows of seats in each aisle. Their main goal is to: stop any running in the aisles, pass out materials to all attendees at different times during the weekend, and receive our two offerings.

All of our volunteers are given a vest (red or black) that has our logo and "Here to Serve!" written on the back. Also, they are all trained Friday afternoon for the jobs they will help us with for the duration of the event.

For an average event, we recruit approximately 2% the number of attendees to be volunteers (50-150).

"Addendum D"

Sarah—

As we did in 2008 & 2009, I noted our points of concern for your Addendum A & B that you have attached to the venue agreement. I will attach this sheet and make it Addendum D like we did for the 2008 & 2009 events.

As I recall, I believe all points were satisfactory to both parties.
If there is something we need to discuss, please let me know.

Sincerely,

Matt

POINT 5 - Aramark's workers are also union. They will stay open during all event times and will cooperate with your after calls. This is what we did for the 2008 & 2009 events.

POINT 7 - The merchandise buyout in 2008 & 2009 was \$5,000. It will remain the same for the 2010 event.

POINT 8 - Our suites are sold on an annual basis and their tickets to all events are complimentary.

POINT 9 - Any additional items that we can't provide will need to be rented by ATF.

POINT 11 - Signage locations will be mutually agreed upon and no signage can cover any existing venue signage. The signage locations can not pose a safety risk.

POINT 15 - There may be additional stagehand labor charges for recording/televising the event. There is no longer a stagehand bonus, however there may be applicable labor charges for such recordings.

POINT 16 - The breakout rooms will be in mutually agreeable locations.

POINT 17 - I put 8:00 AM in the contract for occupancy time on the load in date, which is April 15, 2010. In the addendum you ask for 7:00 AM.

I would rather wait and see what the event is prior to yours before committing the building to you earlier. I have no problem letting you in earlier, but I don't want to put our operations staff in a bad place by giving you the building before it is actually "ready".

Addendum B - We have no problem with you using volunteers, but we ask that they are referred to as "volunteers".

We ask that their shirts not say "event staff", but remain as "volunteer". This will assist us with letting our admissions and security unions know that they are all "volunteers".

Again if you have any questions, please let me know.
